Got official news today, 29/10/15 that we are finalists for the Construction News Specialists Awards 2016.

We are up for 'The Roofing Specialist Award' and the awards themselves is a UK wide based competition.

We are up against 7 other roofing firms, who are all from across the sea, so hopefully we'll do Northern Ireland proud.

A finalist meeting to impress the judges in London in December then back again in February to the glamorous Hilton Park Lane Hotel in London on 24 February to see how we fair out
